FROM THE PRINCIPAL

Canteen

Attached to this Newsletter is an important letter regarding the availability of the Canteen from **Monday, 16 November**. Whilst I encourage you to read the letter, the salient points are that the College will be only able to provide a limited Canteen facility from 16 November until the end of the year. During this time a temporary Canteen will operate from the Mann Oval Pavilion. A limited lunch menu (pre-orders only, no hot food) will be available as will muffins, drinks and fruit at recess. I would encourage parents to provide their son's with lunch during this time. Thank you for your cooperation.

Board Sub-committees

The Trinity College Board and its Sub-committees rely heavily on the time made available by volunteers. Recently some members of the Marketing Sub-committee and the Building and Grounds Sub-committee advised that they could not continue next year. The Building and Grounds Committee meets once a month for eight months on Wednesday mornings commencing 7.45am. Its role is to look at the buildings and grounds of the College and advise the College Board of possible improvements or new developments. The Marketing Committee meets each term on a Thursday commencing at 5.30pm. Its role is to determine marketing strategies for the College. If you are interested in being involved and have skills in either of these areas, please contact our Bursar Mr Michael BURGESS on 9223 8126.

ST VINCENT DE PAUL CHRISTMAS APPEAL

Christmas is coming and as we begin to make preparations for this great day of celebration, it is always important to keep in mind families who will not have the resources to enjoy it in the same way that we can. The season of Advent reminds us that what Jesus brought to the world was, above all, hope for all of humanity. This is a time for recalling what God's presence in this world means for us as Christians, that we are called to spread the love and hope given to us by Jesus, through giving to others.

Participating in the St Vincent de Paul Christmas Appeal is a wonderful opportunity to do this. This Appeal reminds us that on Christmas Eve every person, no matter what their age, is wishing that Christmas day will be full of good things that they hope for: presents, good food, happy family relationships, the chance to feel special and valued ... thousands of children in Western Australia wake up on Christmas morning with none of those expectations fulfilled. We can help to make one thing happen for sure on Christmas day for these children by providing a gift for the St Vincent de Paul Christmas Appeal.

Edmund Rice Outreach members recently sold Bandannas at school. \$ 564 was raised to support teenagers living with cancer.

Each student in the Middle School will receive a letter and a gift tag for a child from the St Vincent de Paul Christmas Appeal list. Your family is asked to discuss what this child's hopes might be and to provide an appropriate gift as a sign of our concern that this young person can experience the joy of Christmas. Your son is asked to wrap the gift, attach the tag and bring the gift to school to present at the final Mass for his year level.

Year 8 Mass: **Tuesday, 10 November**

Year 7 Mass: **Tuesday, 17 November**

Year 9 Mass: **Tuesday, 24 November**

The generosity of the Trinity community is always outstanding and I am sure that your response to this Appeal will be another example of this wonderful quality. Mrs M STEWART, Director of Christian Service

YEAR 9 GALILEE RETREATS

On Wednesday, 4 November, all our Year 9 students participated in the Galilee Retreats. The seven groups went to different venues to complete a perambulating meditation, walking in Jesus' footsteps as he accompanied his disciples around the shores of Lake Galilee. The students participated wholeheartedly in all the activities. Congratulations and thanks to the 14 teachers and Fr Oscar who led the groups on the day.
